

Product list UN approved fibreboard boxes dangerous goods

CarePack Holland BV is specialist in UN approved packaging for transport of dangerous goods. We supply a wide range of UN approved packaging including UN fibreboard boxes.

All 24 standard sizes are available from stock. These boxes are approved for transporting Dangerous Goods by road, rail, air and sea according to the ADR, RID, IMDG and IATA regulations and are suitable for Packing groups I (X), II (Y) and III(Z). All boxes have a 4G and 4GV marking. It is allowed, under certain conditions, to pack your bottles, cans or jars into these boxes. Please, do not hesitate to contact us for more information about the correct use of the 4G and 4GV boxes.
