

Price list data loggers 2023

CarePack Holland BV is specialist in UN approved packaging for transport of dangerous goods. We also supply a wide range of temperature conditioned packaging.

Additional to our packaging CarePack Holland supplies digital USB loggers for single or multi use to register the temperature during transport. New is the digital USB logger that can be used in dry ice (-80C) shipments.

Please, let us know if you need any support with choosing the right logger for your shipments.

All these loggers are IATA approved.
